DESCRIPTION:

An Arabic language and Culture session is a special activity that FCC organize This Year.

. The objectives of this activity are:

- Giving to people the opportunity to get basic knowledge about Arabic language and Culture. That knowledge could be useful for him in their studies or in their daily life or in their travels in countries speaking this language.
- Giving the opportunity to people to get in touch with the Moroccan culture and its way of life, and in consequences achieve a fruitful cultural exchange.
- Giving the opportunity to people has some basic knowledge about this language to brush up it and be adapted to different ways to use it.
- Trying to connect Volunteers with friends from abroad so as to correspond between them in English or Arabic as a tool to promote their international understanding and knowledge and establish new friendship.
